Eagle Palm
Workbook

This Workbook can help you organize your thoughts as you prepare to meet with your Scout Leader.
You still must satisfy your Scout Leader that you can demonstrate each skill and have learned the information.
You should use the work space provided for each requirement to keep track of which requirements have been completed,
and to make notes for discussing the item with your leader, not for providing full and complete answers.
If a requirement says that you must take an action using words such as "discuss", "show",
"tell", "explain", "demonstrate", "identify", etc, that is what you must do.

Scout Leaders may not require the use of this or any similar workbooks.

No one may add or subtract from the official requirements found in Boy Scout Requirements (Pub. 33216 – SKU 621535).

The requirements were last revised in 2016 • This workbook was updated in October 2016.

[Page 2] — The "Guide to Safe Scouting" Applies

Policies and procedures outlined in the Guide to Safe Scouting, No. 34416, apply to all BSA activities, including those related to advancement and Eagle Scout service projects.

[9.0.3.0] — About Eagle Palms

Scouts or qualified Venturers and Sea Scouts may earn Palms after they have achieved the Eagle Scout rank. The requirements can be found in the Boy Scout Requirements book. All of the requirements except the board of review must be completed before age 18, and time extensions are not available. Merit badges earned at any time since becoming a Scout may be used. Palms must be earned in sequence, one at a time (Bronze, Gold, Silver), with the time requirement observed for each one. Palms are not considered ranks, but rather degrees of the Eagle Scout rank.
